TRUCKS & COMMERCIAL VEHICLES
LKW UND NKW
VEHICULE INDUSTRIEL ET UTILITAIRE

Las piezas referenciadas en este catálogo no son originales, pero son perfectamente adaptables a los vehículos a los que van destinadas. El uso de las marcas de fabricantes y de las referencias originales se hace exclusivamente con el propósito de indicar el modelo al que va destinada cada pieza.

Die in diesem Katalog aufgeführten Produkte sind keine Originalteile, aber sie passen alle perfekt auf die angegebenen Fahrzeuge. Die Herstellermarken und Ursprungsreferenzen werden nur dazu angegeben, um die richtige Zuordnung aller Teile auf die entsprechenden Fahrzeugmodelle zu gewährleisten.

All references listed in this catalogue are not original, but they are perfectly adaptable to the vehicles to which they are assigned. The manufacturers' brands and the original references are used with the sole purpose of indicating the model on which every piece has to be assembled.

Les pièces référenciées sur ce catalogue ne sont pas originales, mais elles sont parfaitement adaptables aux véhicules auxquels elles sont destinées. L'utilisation des marques de fabricants et des références originales se fait exclusivement avec le but d'indiquer le modèle auquel est destinée chaque pièce.

LOGÍSTICA Y SERVICIO/ LOGISTICS AND SERVICE

Alkar en el mundo / Alkar in the world

ALKAR AUTOMOTIVE es actualmente el referente indiscutible del sector en cuanto a Servicio, pudiendo asegurar que la entrega de nuestros productos se realice en casa del cliente en menos de 24 horas. El compromiso de Alkar con el servicio llega hasta el punto de garantizar como mínimo la entrega del 95 % de cada pedido.

A estos efectos, Alkar cuenta con un almacén logístico de 25.000 m2 donde tienen cabida más de 800.000 piezas listas para ser preparadas inmediatamente.

ALKAR AUTOMOTIVE is at this moment, the unquestionable leader of the sector regarding service, being able to assure to our clients that they can pick up their goods in less than a week from the order confirmation.

Alkar's commitment to the service offered is to guarantee a minimum service level of 95 % on every order.

For this purpose, Alkar has a 25.000 m2 logistic warehouse in Boroa where more than 800.000 parts can be stocked ready for service.

BUSINESS TO BUSINESS

Alkar es consciente de la capital importancia que tiene para nuestros clientes el disponer de una manera exacta y rápida de la información necesaria para identificar correctamente la pieza.

Por ello somos parte de TecDoc desde el año 2008 y de TecCom desde el año 2012. Así mismo, contamos con una potente Base de Datos con la que poder proveer a nuestros clientes de toda la información que necesitan para realizar correctamente su trabajo.

ALKAR is aware of the importance that for our customers has the reliability of the information concerning the spare parts.

In order to offer an accurate and quick information Alkar is part of TecDoc from 2008 and part of TecCom from 2012. We work, as well, with a powerful DataBase in order to supply our client all the needed information to correctly identify the piece.

CALIDAD / QUALITY

La prioridad máxima de ALKAR AUTOMOTIVE es garantizar la calidad de todos nuestros productos.

Para ello contamos con un Departamento de Calidad compuesto por 5 técnicos de contrastada experiencia en el sector de la automoción, que siguiendo el Procedimiento de Homologación de Producto en Alkar verifican todas las piezas que pasan a formar parte de nuestra gama.

Verificamos la funcionalidad, adaptabilidad y correcto acabado del producto e incluimos una prueba dinámica de carretera que homologa el correcto comportamiento de la pieza.

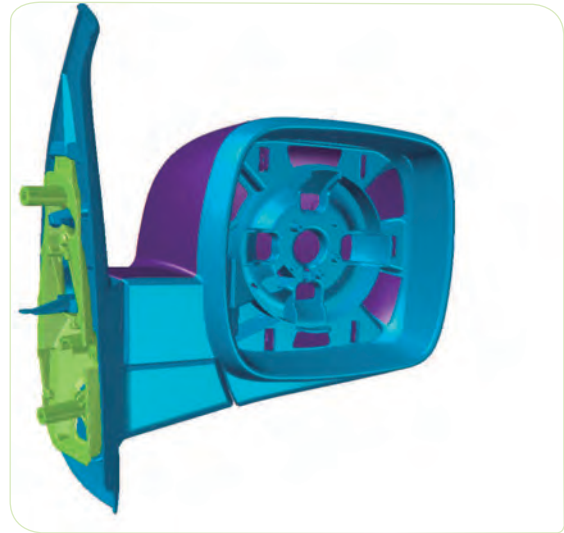

ALKAR AUTOMOTIVE'S highest priority is to warrant the quality of all our products.

Our Quality Department is composed by 5 technicians with big experience in the Automotive sector. Following the Product Homologation Procedure, they check all the pieces that are introduced in our range.

We check the functionality, adaptability and the appearance of the product, including a road test that homologates the correct performance of the product.

ALKAR AUTOMOTIVE dispone de un Laboratorio de ensayos con todos los instrumentos necesarios para realizar los tests que garanticen a nuestro cliente la fiabilidad del producto que recibe.

ALKAR AUTOMOTIVE has a test Laboratory with all the necessary instruments to make the tests that ensure our clients the reliability of the product.

RENAULT PREMIUM (96-05)

A close-up photograph of a black plastic headlight assembly. It features a dual-lens design with two rectangular lenses side-by-side. The plastic housing is rugged and has a mounting bracket on the right side. The background is white.

A black, rectangular dual-lens fog light assembly. It features two circular lenses side-by-side, each with a clear lens and a visible internal reflector. The unit is mounted on a black plastic housing with four mounting tabs, one on each side, each featuring a pre-drilled hole for installation.
